FREEDOM TO GROW

Accelerated payments provide working capital to SMBs by accelerating payments on their outstanding invoices. Our model puts you in control. Select which invoice to finance and get funds within 24 hours. It's fast and flexible finance at your fingertips.

NO ADDED DEBT

We don't require any personal guarantees, liens or additional security. A non-recourse offer allowing us to work alongside other funding arrangements you may have. <u>We're not adding debt</u> to your business -it's simply early payment on money due.

EXPORTS FUNDED

We work on a global basis helping you to grow business by funding invoices facing your customers abroad. Our platform gives you full transparency of your transactions and our great client management team supports you all the way.

Working capital when you need it.

Some companies are nervous about invoice financing because of the rates, or because of the fact that companies offering this service are managed like banks. But Accelerated Payments is more a solution company that partners with us to help us grow."

HOW MUCH DOES IT COST? We charge an annual fee of \$750 and 1.65% of each invoice per 30 days. We have created a simple, effortless Individual invoice Finance solution. Select which trade receivable you want to finance. Get early payment. It's straight forward and fast to get funds.

Here's how it works:

Step 1 > Buyer Approval

Provide us with your Buyer details and invoice value. Once we pre-approve your Buyer with a credit limit you're good to go.

Step 2 > Register on our Portal Register on our platform – providing necessary documents such as

passport/drivers license and company bank statement .

Step 3 > Upload Invoice

Upload your invoice(s) to our platform and select for funding. Once the invoice is verified by the Buyer we'll approve for immediate funding.

Step 4 > Payment

80% of the invoice value less our fee is transferred to your bank account – typically within 24 hours.

Step 5 > Settlement

Your Buyer pays into a designated bank account set up in your name on the settlement date. We insure this transaction.
